

Past Hap Halligan Award Recipients

Following the merger of the Greater Mankato Chamber of Commerce and Greater Mankato Economic Development Corporation to form Greater Mankato Growth in October, 2007, the annual meeting, where this award was normally presented, was moved to the beginning of 2008 and it was determined all awards would be presented annually at a year-end awards celebration. For this reason, there was no Hap Halligan presented in 2007.
