The South Central Tour of Manufacturing Partnership invites all manufacturing and related businesses from across South Central Minnesota to participate in the 2018 Tour of Manufacturing. This year we will be expanding the experience and hosting over 2 days; **Thursday, October 4th from 9:00 am—3:00pm** (focusing on the student population of South Central Minnesota) and **Saturday, October 6th from 9:00 am to 1:00 pm.** (focusing on job seekers). The events will be open to everyone. The event is similar to a "Parade of Homes" that is FREE to students, job seekers and the general public. Community members will be able to stop by throughout the day for a self-guided tour or a guided tour of any of the participating manufacturers.

To promote the Tour of Manufacturing and the importance of manufacturing in our region, a special full color, glossy magazine with profiles of all participating manufacturers will be inserted into area newspapers and provided to students from area schools and universities, with a total distribution of more than 31,000 across the nine counties of South Central Minnesota.

There is an opportunity for any business to run an ad in the magazine.

Please complete this form including size of ad you want and submit it **by August 20th.** All Ad Materials (Step 2 below) are due **by August 20, 2018.**
