Rebecca Rosier New Finance Manager for Greater Mankato Growth

Mankato, MINN (May 16, 2011) – Greater Mankato Growth has selected Rebecca Rosier as the organization’s new Finance Manager.

“This is a pivotal position for our organization, and Rebecca comes with excellent recommendations and the right mix of experience to serve our members,” said Jonathan Zierdt. “We are very fortunate to be located in a community with so many higher education institutions that give us access to superior talent like Rebecca.”

Rosier holds an Accounting degree from South Central College, where she has also tutored Accounting students. Her accounting experience also includes working three years as an accounts payable clerk and then an accounting clerk for the St. Peter Food Coop, where she’s been working for the past six years.

Rosier is excited to be joining Greater Mankato Growth. “I was looking for a position that would not only allow me to develop and use the skills I have gained through my schooling, but also a place where I could feel like I was giving back to the community. I want to be part of something more than just a nine to five job,” explained Rosier. “I look forward to helping support the development and betterment of this area.”

Rosier grew up in LeSueur, Minnesota and in 2008 moved to St. Peter, where she lives with her husband Jacob.
