

Our story is your story, *Mankato*

© Star Tribune

As Star Tribune **celebrates 150 years** of covering Minnesota, it will be hosting conversations with citizens from around the state on the importance of **independent, in-depth journalism**, and on how media is changing in the digital era. Moderator John Rash will guide a discussion about the **big stories impacting communities across Minnesota** and the priorities and the principles journalists need to serve the public well.

Join us and bring your opinions. **We'll be listening.**
