CRITERIA:

Business/Education partnerships are selected on the basis of the following criteria:

1. The existence of a partnership between two or more entities, including: individuals, companies, organizations, and programs. Note: The education partner is not limited to an educational institution. (Describe the partnership between education and business.)
2. A partnership that addresses a local, regional, or statewide need. (Provide how the need was determined, the degree of the need, and the outcomes of the program to address the need.)
3. A joint contribution to the advancement and quality of education and a demonstration of a personal commitment and dedication to education in the Greater Mankato region. (Describe the impact on the community, number of people and organizations affected measurable outcomes, and plans for sustainability.)

PROCEDURE:

Complete this form and provide specific, measurable responses to the following questions. Feel free to attach any other information that supports the nomination (e.g. promotional materials, case studies).
