**GENERAL INFORMATION ABOUT
THE GREATER MANKATO LEADERSHIP INSTITUTE APPLICATION PROCESS**
(This page is for your information only and does not need to be returned with the application.)

In order to foster an effective learning environment, a maximum of 40 class members will be accepted to the program each year. All applicants will be contacted in late June to schedule an optional small group discussion to learn more about the program's expectations and ask questions.

If more than 40 applications are received, the Steering Committee may reduce the class size by asking some candidates to reapply the next year or requesting that businesses with multiple applicants reduce the number of candidates for the current program year.
