

# GET INVOLVED

## WITH GREATER MANKATO GROWTH PROGRAMS

Greater Mankato Growth is committed to delivering programs and events that benefit our members and the business community at large by enhancing our economic vitality.

This program provides 21 to 40-year-olds opportunities to make new connections and get familiarized with the amenities available in Greater Mankato. The program provides one social and one professional development event each month. It's a great way for employers to attract and retain talent!

For more than 30 years the Greater Mankato Leadership Institute has been the premier leadership development training program in Greater Mankato.

This nine-month program consists of 1-2 full day sessions each month from September to May. One session also includes an overnight in St. Paul. This is an opportunity to learn the leadership skills necessary to take your career and organization to the next level!

The Executive Sounding Board provides a professionally-facilitated, two-hour, confidential and trusting environment for executive-level leaders to give and receive the benefit of their experiences to help resolve business challenges. Monthly participation allows leaders to make better strategic decisions, focus on "the right things", improve communication and build long-term relationships.
