

Slate of Directors from 2025 Nominating Committee

GMG Board of Directors:

Chair – Jamie Jacobs (APX)

Membership:

Randy Farrow (Mankato Clinic)

Marissa Brostrom (Graif Clothing)

Shane Van Engen (Frandsen Bank and Trust)

The Nominating Committee reviewed a pool of 7 candidates expressing an interest in serving or continuing service on the GMG Board. The criteria used to guide the selection process consisted of ensuring the committee met the needs of the GMG, Inc. Board as well as membership. Consideration was given to the need to reduce the size of the board, with the newly revised by-laws stating that at some near future date, the board should consist of not more than twenty members. Listed below is the slate proposed by the 2025 Nominating Committee.
